J-5. Each year the Board will conduct judges polling for the AMCA National Specialty; the results shall be announced at the Annual Meeting and published in the Newsletter. The poll will use a two-ballot system for both Conformation and Sweeps Judges. The FIRST ROUND will list all AKC judges with Approved status together with any AMCA members with Provisional/Permit status for Conformation (as of the most recent AKC Judges Directory available) and other AMCA members as provided for in H-6; and all eligible sweepstakes judges (as of the March 31 renewal deadline). Each AMCA regular member may vote for 10 judges, one vote for each individual, no preference given. Write in votes are not permitted. In the second round, each AMCA regular member may vote for five individuals, one vote for each individual, no preference given. This tally will be used to produce a list of the top 10 judges for both Breed and Sweeps from which the National and Regional Specialty Committees, with the VP, must draw all judges. Balloting will be conducted each year to create the list for the National and Regional Specialties to be held 3 years from date of balloting, and for the National and Regional Sweepstakes held two years from the date of balloting (MB04/Jan05/Jan12/Aug12/Apr16/Mar19/Mar20)

The VP will provide each judge with a contract confirming all terms of their assignment within ten days of confirming acceptance of the assignment following (2) above. If, due to an emergency, a judge is unable to fulfill his/her assignment, the VP will make every effort to contract with the next judge in order on the original polled list. The VP will ensure that all National Week judges, including those for AKC-approved non-regular events such as futurity/maturity (but excluding special events such as Working Dog Showcase or Top 20 events), sign an AMCA judging contract. The specialty clubs must submit an event application for the designated specialty. The specialty club does not submit a judges panel, the judge for the breed is submitted as part of the panel of the host club's show. The host club must provide permission to the specialty club to hold a designated specialty and that permission must be submitted to the AKC. The specialty club may offer sweepstakes and special attractions as part of their designated specialty. No limit on entries for the designated specialty is required. There is no limit on the number of designated specialties that may be held at a host club's show.

The specialty club may offer sweepstakes and special attractions as part of their concurrent specialty. There is a limit of one hundred (100) total entries per ring per judge per day for the concurrent specialty. The limit includes any entries in sweepstakes or special attractions held in conjunction with the concurrent specialty. There is a limit of one hundred (100) total entries per ring per judge per day for the breed judging in the host show. The limit includes any entries in sweepstakes or special attractions held in conjunction with the breed judging in the host show. The breed judging at either the all-breed show or the concurrent specialty may

occur first, but the scheduling must accommodate Group judging. This includes regular judging, sweepstakes, and special attractions. The judging in the concurrent specialty must not be stopped to accommodate entries that are participating in other competition. If a conflict occurs, the exhibitor must choose which competition they want to participate in.

Evening Specialty: A specialty club may offer an evening specialty on the same date and at the same site as an all-breed or group show. Specialty clubs must submit an event application and a judges panel for the evening specialty. The host club must provide permission to the specialty club to hold an evening specialty and that permission must be submitted to the AKC. The specialty club may offer sweepstakes or special attractions as part of their evening specialty. There is a limit of fifty (50) total entries per ring, per judge for all AKC competitions, provided the rings are run concurrently for the evening specialty. Supported Entry with Sweepstakes: A specialty club may offer sweepstakes on the same date and at the same site as another show without the club offering regular conformation competition for their breed. Specialty clubs must submit an event application for the sweepstakes. The host club must provide permission to the specialty club to hold the sweepstakes and that permission must be submitted to the AKC.

Supported Entry: A specialty club may support another club by providing prizes and trophies. No application or other notification to the AKC is needed. The club must comply with the AKC rules regarding the prizes and trophies offered and they must be listed properly in the premium list, judging program, and catalog. An AKC sanctioned or licensed specialty club can be listed in the premium list as supporting an entry, even if the club is not sanctioned or licensed for conformation. A specialty club that is not licensed or sanctioned with the AKC cannot be listed as supporting an entry. If the specialty club is not licensed or sanctioned with AKC they are limited to being listed in the trophy section of the premium list and the listing is limited to a notation that the club is donating a trophy or prize.

Purpose of the Host Club/Consent Form

When multiple events are held on the same date and site, the club with the rights to the date (the host club) must give permission for other clubs to join them. It is very important that the host club identify the type of competition for each club so that we can verify the application submitted by each specialty club. A host club has the option to grant permission on an event-by-event basis or for an extended time (including indefinite).

This form is also used when a club has the permission rights to a site and wants to grant permission to another club to use the site. The club with the permission rights to the site should be considered the host club when completing this form. Clusters should use the [Common Site Application](#) form to grant site usage privileges.

A separate Host Club/Consent form must be submitted for each day of events.

Completing the Host Club/Consent Form

Host Club Information

The "Host Club" line should identify the club that has the permission for the date or site.

The "Location of Event" line should include the name of the site as well as the city and state.

Host Club Permissions

The "Club Being Granted Permission" is each individual club that is joining the host club. The "Type of Competition" documents the event type that the host club has agreed to let the joining club hold. This is very important for use in the verification of the joining club's event application and for the AKC rules associated with the type of competition. The most common types of competition are Designated Specialty (DS), DS with Sweepstakes, Concurrent Specialty, Concurrent Specialty with Sweepstakes, Evening Specialty, and Sweepstakes. For an explanation of the different types of specialty events and their restrictions, please review the [Frequently Asked Conformation Questions](#) page on our website.

Certification of the Host Club/Consent Form

Host Club/Consent for a Single Date

Certification is accepted from a club officer (delegate, president, vice-president, secretary, or treasurer) as per the AKC's records or the show chair of the host club event.

Host Club/Consent for a Corresponding Date for More than One Day (Including Indefinite)

Certification is accepted from a club officer (delegate, president, vice-president, secretary, or treasurer) as per the AKC's records.

Submitting the Host Club/Consent Form

To make it easy for clubs, clubs can submit the Host Club/Consent Form multiple ways:

- 2) A club officer ((delegate, president, vice-president, secretary, or treasurer) as per the AKC's records) can email a copy of the Host Club/Consent form to the AKC. If the Host Club/Consent is for a single date, we can also accept the form emailed from the show chair of the host club event.
- 2) The Host Club/Consent Form can be sent by fax or postal mail. If faxed or mailed, the form must be signed by a club officer ((delegate, president, vice-president, secretary, or treasurer) as per the AKC's records). If the Host Club/Consent is for a single date, we can also accept the signature of the show chair of the host club.
