“SOKO”

Eyes V-^480^ clear Poland.

Hips HD A+ Excellent Poland

Soko finishing in style by going WD for a 3 point major to finish, then going BOB over 4 specials. We want to thank his breeder and co-owner and our friend Gizela Makerewicz for trusting us to have this wonderful red boy. We flew him in 14 months ago from Poland. Soko is the most gentle, sweet and lovable dog. We also want to thank all the judges who saw all his great qualities and thanks to Sam and Karen Mammano, his handlers and his assistant handler Chloe Showalter. Red is my favorite color and Soko is a perfect example. Soko is the breed standard in every way. He loves everyone and is excellent with other dogs also. We love you SOKO! # OFFICERS REPORTS

## President's Report

Steve Anderson  
sta111@verizon.net

It's my sad duty to report the passing, at age 92, of Alice Spawn, charter member and widow of Robert Spawn. Bob and Alice were malamute breeders and very active club members for over four decades. The dogs they produced in the 1950s and '60s shaped many lines, just as the work they did, and the friendships they made, helped AMCA grow as a club.

Alice's death leaves us with just one surviving charter member, Bob Zoller, who will celebrate his 99<sup>th</sup> birthday this April.

Have you renewed your membership yet? The new online renewal portal is open at [www.amca-renew.org/](http://www.amca-renew.org/). You can type in all your own information, just the way you want it to read. You will

pay safely and securely with either a PayPal account or major credit card. Of course the regular paper forms will be in Newsletter, and a fillable form is on the web site. Only online renewals can pay online, all others require payment by check or money order.

## 2015 National Specialty

### “CELEBRATING OUR PAST” with a “TOURNAMENT OF VETERANS”

This event will be a showcase of our very special veteran dogs and bitches. The whole theme of this National specialty is honoring the foundation and history of our wonderful breed. With this showcase event we wish to honor today's veterans which play an important role in the future of our breed. Many of the entrants in this competition have played a vital part in the foundation of current pedigrees which are actively being exhibited in the conformation and obedience rings today. This is a wonderful opportunity to honor these veterans who have contributed so much to our future.

This event is a competitive event judged by a panel of three judges using a point scale. All malamutes at least 8 years of age are invited to participate and compete in their age group, divided by sex. Each entrant will only be in competition with the dogs or bitches within their own age category with the selection of ONE WINNER PER CLASS. There will NOT be an ULTIMATE WINNER of this event since we feel that each veteran is special and deserves recognition. Each entrant will be awarded with a special recognition award and a commemorative plaque will be awarded to each class winner.

**Note: We are still looking for someone to come forward to chair this event. If interested, please contact Show Chair, Ruth Levesque @ [amcavp@comcast.net](mailto:amcavp@comcast.net) for more information.**

## AKC Delegate Report

Patty Peel

Highlights from the 2014 delegate meeting

March meeting elections: the results of the elections are for the class of 2018. The total a number of ballots cast was 338. The results are: James R. Dok -179, Dr. J. Charles Garvin - 205, Ronald H. Menaker - 259, Patricia C. Scully - 146. James R. Dok, Dr. J. Charles Garvin and Ronald H. Menaker have been elected to the class of 2018.

Also, in March we voted on The proposed Amendment to item III C Obedience, Tracking and Agility of the Delegates Standing Rule on Committees. With Rally being separated from Obedience, the Delegate Obedience, Tracking and Agility Committee, voted to change its name to the Delegate Companion Events Committee, and to incorporate Rally into its charge. This amendment was brought forward by the Delegate Obedience, Tracking and Agility Committee. It does not require Board approval and/or publication, but does require a majority vote of the Delegates. Although not required, it has been published in the online AKC Gazette. "The Amendment was adopted."

June is the twentieth anniversary of AKC agility. We had a short presentation regarding its history. In the early years Agility started as an entertainment event at Crufts. It was so positively received, that in 1980, The Kennel club in England adapted agility as a sport.

The first event in the United States was held in 1986 by the United States Dog Agility Association. AKC's involvement with agility started in 1993. Agility was in the Performance Event Department. The person who was in charge of that department organized the agility

advisory committee without seeking approval of the Board of Directors. He took some money from other areas in his budget to form the advisory committee. This was the start of AKC agility. AKC's first event was held in Houston, Texas in August of 1994. In 1996, AKC held its first agility national in Tulsa, Oklahoma. Also in 1996, AKC sent its first Agility team to the FCI world championship.

In 1999, the title that's probably the most associated with Agility was added: MACH. As of this date, there are nine agility organizations in the United States. Agility has grown in the last 20 years and it's the second AKC sport to exceed one million entries a year.

At the September meeting it was reported that the Two Shows in one day pilot, was implemented The Originator of the board action allowing the pilot, Pat Cruise, participated in the first pilot at the Riverhead and Brookhaven Kennel Clubs on July 12, 2014. The other participating clubs were the Memphis Toy Dog Club and the Marquette Kennel Club in Michigan. In all three incidences the events were a success. Most interestingly the entry at Marquette's other three shows was up almost 15 percent. September 20 celebrated the twenty-fifth anniversary of the AKC Canine Good Citizen program. We were told that the new AKC Dog Book is available.

December meetings are in conjunction with the Eukanuba World Dog Shows. Here are some statistics from the meeting.

In 2014 a total of 600 National Owner Handled Series events were offered and over 27,333 new CGC titles were earned. AKC is going to offer Urban CGC Title for dogs in Urban areas under Urban conditions.

The AKC Pet Disaster Relief Trailer has 200 clubs participating. 11 trailers have been delivered, and 12 are on their way out. \$720,000,00 has been raised since the start of the program.

Glenda Stevenson, Delegate for the Space Coast Kennel Club of Palm Bay, is a member of the first show on the circuit. Her daughter came up with a QR code, which is a bar scanner code that you could read on your Smart phone or tablet. There were orange posters around the show that had the QR codes on them. There were two codes, one of the judging program, the second, the actual map of the show grounds. With this new technology they did not have to waste paper handing out judging programs or maps of the show grounds. Great idea!

The Alaskan Malamute Club of America participates at The Meet The Breeds. I would like to thank Bob and Nancy Russell along with Rolex. They helped out tremendously at the booth, by sitting most of the day Saturday and Sunday with Rolex to educate the public on Alaskan Malamutes. A special thanks to Rolex for sitting there and putting up with people petting and hugging him (I'm sure he loved it). He was excellent with all the spectators. Karyn and Jari Colman let us borrow Merlin, who is a young puppy, to have on exhibit for the people to see how well behaved a puppy can be. We were able to use Merlin both Saturday and Sunday. He was a great representative of a young Alaskan Malamute, and he loved all the people. I would also like to thank Jan and Dave Richards, Diana Edwards, Barb Salvador, Kate and Josh McCullum and their dogs for helping out at the booth. Everyone did a great job educating the public, and they all deserve a big THANK YOU.

## Remembering Alice and Robert Spawn

by  
Ben Ogburn

Many of us were saddened recently by the loss of foundation member Alice Spawn. You could never meet nicer people than Alice or her husband, Robert, who passed away about six years ago. Alice treated everyone she met like a new friend, and she loved to tell fascinating malamute stories of the old days. Most of them would make you laugh, or at least smile. She could entertain you for hours. Bob Zoller said, "Bob and Alice were among my oldest and best friends. Like everyone else enamored by our breed, they felt malamutes were a Gift from God!" For a number of years Bob and Alice contributed a lot of their time to AMCA. They held pretty much every club office from Area Editor to President.

It's important to understand their accomplishments, as their dogs are part of the foundation of the present day malamutes. Thousands of today's dogs have the Spawns' dogs in their background. With breedings from frozen semen their dogs appear sometimes as close as the fifth generation.

The Spawns obtained their first malamute in 1949. After seeing their first Malamute at Purina's Kasco Mills, they decided they wanted to purchase one, so they bought a copy of Dog World. There were only three ads for malamutes - Husky-Pak, Jane Nygren, and Silver Sled. They purchased Polar (his sire and dam were Silver Sled dogs) from Jane Nygren. Next they purchased Arrow of Husky-Pak as a 10 month old puppy from Bob Zoller's "A" litter.

They had their first litter in 1950, and their last one in 1976. From their first litter they kept CH Spawn's Chee Chee who earned her registration and her Championship. Their kennel was known then as Polar Kennels.

In 1953 a book was published entitled Wilderness Pup written by Margaret Johnson, using CH Spawn's Alaska as a model for the illustrations. In

1954 they changed their kennel name to Polar's Wilderness. In 1963 they changed their kennel name again to Polar Den, to have more letters to use in a dog's registered name. For the dogs they kept, they always used "Spawn's" as a prefix in the dog's registration.

Bob and Alice had a number of quality dogs - at one time all of their dogs were champions. However, four of the dogs they owned were truly outstanding. They were:

**CH Spawn's Alaska** - one of the biggest winners in the early 1950's. Best of Breed at Westminster in 1950 and 1953. He was the No. 2 Dog of the Year in 1953. No. 1 was his son, CH Apache Chief of Husky-Pak. No. 3 was his daughter, CH Arctic Storm of Husky-Pak.

**CH Spawn's Kulak** - the foundation dog of T'Domar Kennels. He is behind nearly all T'Domar dogs.

**CH Spawn's Hot Shot of Roy-EI, ROM** - Best of Breed at the 1961 AMCA National Specialty from the Am-Bred class, at 10 months of age. He sired 9 Champions including two National Specialty Best of Breed winners (T'Domar's Panda and Inuit's Woolly Bully).

**CH Spawn's T'Domar's Panda** - Best of Breed at the 1964 AMCA National Specialty, and Best of Opposite Sex at the 1966 National Specialty.

Raising and showing Malamutes was Bob's dream. He got to live his dream with Alice's help. She was a real "gem"!

## Parade of Titleholders and Veterans

by Mary Swinyer

We had a total of 13 participants plus another eight ordered ribbons to pick up. My husband Wayne was the announcer, and Muriel Dean placed the beautiful, personalized neck sash rosettes on the dogs. Thanks for your last minute help, Muriel! My co-chair Kim Sullivan and I had "goody bags" for all the participants. I received a lovely thank you note from Jean Say, and I know Charlene LaBelle said taking a dog back in the ring was on her bucket list. A good time was had by all!

I just finished watching the Rose Parade, so I guess it's time to submit my report for the February, 2015 newsletter. There were five shows this weekend up in Minnesota and I'm hoping for some news to report.

As it turns out, we have some HUGE brags from Donelle Burrell-Roberts at the MN shows. Her LEGEND is now **BISS, GCH Kasaan Snokist Ropn 'N' 'T' Fortune** having earned four Best of Breeds out of five shows. Good job Donelle and LEGEND. His wins were: Friday, January 2, 2015, Northstar Working Group Association, Judge Jane Haefner; Friday, January 2, AMCA Specialty Judge Erna Upmeijer; Saturday January 3, Land O Lakes Kennel Club, Judge Jack Ireland and Sunday January 4, Land O Lakes Kennel Club, Judge James G. Reynolds. LEGEND is owned by Donelle and Bonnie McMahon-Howen. Congratulations to Team Legend.

Last weekend all our dogs got a special treat: venison leg bones courtesy of my brother the hunter. I locked everyone up in their kennels and passed out bones. Happy dogs! That afternoon I went to collect bones and let dogs out for potty breaks and picked up the remains from all the dogs except for SCANDAL. It looked like she had eaten it all. Well, when I let SCANDAL and ROWDY out, she came out of her run like a rocket, did a couple of quick laps round the yard, made her potty stop and dashed back into her kennel. That was very unlike her. Well, she dove into her igloo and re-appeared with her bone in her mouth. I had checked her igloo, but she had hidden it in the space under the lip of the entrance. In case ROWDY wandered into her kennel, she didn't want him stealing her bone. Pretty slick for an old gal.

We had hoped for puppies in late  
Pg. 26 February 2015

January, but STARZ' ultrasound showed no pups. Since she isn't pregnant, STARZ will be getting back to the show ring, and I hope to see some of the local folks there in the next few months. Who knows, maybe someone will even give me some news to publish.

Valentine's Day is coming up. Share some love and have a great day. Until next month...

## MID-EAST

Michael McGuire, Area Reporter  
[amca-mgm@comcast.net](mailto:amca-mgm@comcast.net)

We start off this month with Darlene Puhatch reporting her boy THOR, **Snocreek's Lightning Strikes @ Ken-Dar, CGC** took WD and BOW, a three point Major, at the Onandaga Kennel Club show on 9/26/13 under judge James Noe.

My apologies to Bonnie F. Ferianc. In the midst of the election rush I misplaced several emails from her, and did not get some of her Howls and news into any submissions. I'll make up for it here. Bonnie writes:

"SOKO, my red male from Poland, whom I got in November, is now **American/Polish Champion Sokanon Red Rain Illa Kuvianartok**. He went WD for a three point major, then went on to go BOW and BOB over four Specials. Show was Butler Co. KC on September 21, 2014. The following Saturday and Sunday, September 27-28, at the same shows, **Ice Cream's Taylor Made** got Reserve to Majors both days. Taylor has only been in four shows."

From Sandy Pistolessi: "In Virginia, we had our first back to back Supported Entries hosted by the Middleburg Kennel Club (MKC). The weather was cool, breezy, and sunny. A complete report is to be published in the AMCA Newsletter. It was an especially heartwarming event when several of our Breed Seniors gathered to participate, lend a hand, and catch up with things: Ben Ogburn, Phyllis

Hamilton, Dianne Franck, Karen Miller, Terry Sewell, Dick Greffe, and us, Joe and Sandy Pistolessi.

Don and Gina Schimming (our daughter and son-in-law) were there to help their Dad, Joe Pistolessi, and good friend Dick Greffe, with myriad of tasks with the Grounds Committee. Diana Staley and her daughters did yeoman work stomping for the bake sale and auction donations from stores and merchants, to support our combined Supported Entries and Pull Competition.

Our inaugural Best of Breed and Best of Breed Owner Handler on Saturday, 25 October, was **GCH WINTER PARK'S BY GEORGE HE'S GOT IT**. Best of Opposite was **GCH SHEKINAH PRETTY GIRL**. Best of Winners was **BATTLEFIELD BARVIC RAPID FIRE**. Select Dog was **GCH SAMALJANKAN'S I'M THE ONE AT NYRAKYM**. Select Bitch was [new] **CH NYRAKYM EXCELLENCE IN MOTION SMLJNKN**.

"On Sunday, 26 October, Best of Breed was [New] **CH BATTLEFIELD BARVIC RAPID FIRE**. Best of Opposite Sex to Best of Breed was **GCH SHEKINAH PRETTY GIRL**. Best of Winners was **BATTLEFIELD LEGACY OF EXCELLENCE**. Select Dog was **CH NORTHPAW'S POWER PLAYS, CGC**. Select Bitch was [New] **CH NYRAKYM EXCELLENCE IN MOTION SMLJNKN**."

From Darlene Puhatch: I would like to report that THOR, **Snocreek's Lightning Strikes @ Ken-Dar, CGC**, took WD and BOW for a 3 pt major at Onandaga K.C. show!

Congratulations to all winners and exhibitors. It was truly a heartwarming gathering.

To everyone, thanks. The back-channel support from Ruth Levesque, AMCA Vice President, and all the wonderful folks of AMAEP, as well as the general Pull community was awe inspiring.

Until next time ... Michael G. McGuire

I hope everyone had a good Christmas and here's hoping that 2015 will be a great year for everyone.

I did not receive any reports from anyone for this month. Hopefully someone will have some interesting story to tell about their mals or maybe a brag or two.

Since no one has anything to contribute I will just say that ROCKY has not been a brat this month or done anything super spectacular. He is up to 87 pounds so I will have to keep an eye on his weight, I don't want him to get overweight.

I am looking forward to all of the reports that will come in next month!

## NEW ENGLAND

Jeannine Theriaque

Hi everyone,  
Hope everyone had a great Christmas, and is looking forward to a good New Year's start. I'm waiting for the temps to start dipping into the -20 degree and below range this week (NOT looking forward to that, but the dogs don't seem to mind).

November was a busy month as far as the Thanksgiving Cluster in West Springfield MA. There were three majors in the four day/five shows, with four being specialties or supported entries. Please see the show reports and please let me know if I have any errors.

We had a good turnout, not as many for the independent specialty on Saturday following judging with the kennel club, but probably because it wasn't as easy to find on MB-F. The Yankee club members put on hospitality and raffle for the weekend. It's pretty nice to be able to have more flexibility like we used to in years past as far as the venue is concerned, as they are relaxing a little on the restrictions they had put in place. We wouldn't have been able to do these even three years ago.

Ruth Levesque and Kristin Morrison did an outstanding job on some very

nice trophies for the show, many handcrafted by them, including etched glass and Christmas ornaments.

Our local people did well and Jane Palinkas' dogs were in the ribbons with WD for **CARTHARTT**, **Luv Sno's Liking it Rugged**, and Vicki's bitch **RUFFY**, **GCH Luv Sno's Dymnd N The Ruff** doing well from the Veterans class for OS and Sel. Carol Williams was thrilled to end her weekend with WB/BOW with her **NEEKA**, **Lone Pine Kotzebue Neeka** under foreign judge John Walsh.

Thank you to all who entered to support these shows to help build up entries, especially majors which we all know are increasingly difficult to come by in the New England area.

Jill Pitcher also sent more news of Group placements with her girl, **Can CH Edgemere's Cinnamon Girl** from a couple of months ago. Please see the Howl section, and congratulations Jill!

Time slips by fast, and soon the National in Sturbridge, November 2015 will be right around the corner. If anyone is interested in helping out, I'm sure there are still plenty of things that need to be done. Please keep in mind; I will be collecting items for the raffle and the challenge baskets. You can contact me at [pekaboomal@gmail.com](mailto:pekaboomal@gmail.com) if you have items you want to send or plan on bringing with you.

Last month I was asked if I could bring a dog to a local hospital cancer center to visit with patients during their holiday party, and I welcome any opportunity to promote the breed in a positive light. There were a few of us with seven patient, loving dogs which included rottweilers, a visla, Doberman, schnauzer, cocker spaniel, and of course a big furry malamute. I took Jordan who is eager and willing to endure endless attention from anyone. It was pouring rain and blowing wind, and we had to run halfway across the parking lot to go in. I brought some towels and a small dryer, because who wants to hug a big wet dog with all that fur? We got into the entrance hallway and we had a miracle happen. There wasn't a drop of rain on him! I couldn't believe it – not even his legs. We had such a good time, just knowing how happy it made the patients to see

and hug, pet, (dance with) the dogs. The music director of the youth chorus stopped after one of the songs, ran up to Jordan, grabbed him by the sides of his face and shouted, "I love this big, furry dog!" I think I was more surprised than Jordan. (He kept eying the buffet table)

Stay warm, and please send me anything you want to brag about doing with your dogs.

I only have one show report this month and it comes from Tina Sanderford,.

"I just wanted to pass on some brags. Although we have done limited showing lately, we have had some nice wins! Now that I'm retired, I hope to be hitting the shows more often. It just seems like I have too much to do and not enough time to do it all. Our **SALLY JANE**, **Int/Am CH Shosan's Mustang Sally**, went BOS on 11/08 and BOB on 11/09 at the Furniture City Shows here in Winston-Salem. At the Carolina Working Group Association show held Thursday 11/13 in Concord, NC, **SALLY JANE** went BOB/BOBOH over some nice specials. On Friday **SALLY JANE** was BOS/BOBOH and took an OH Group 2. On Saturday, **SALLY JANE** went BOB/BOBOH again over specials. On Sunday 11/16 **SALLY JANE** was awarded SB/BOBOH. As of this time, with limited showing, **SALLY JANE** needs two single points to finish her Grand Championship. At the Carolina Christmas Classic show in Winston-Salem on Sunday 12/7, **SALLY**

JANE's litter mate, ANDY, **Shosan's Hawleywood Silver Fox**, was awarded WD/BW/BOS/BOBOH for a three point major under Mrs. Pat Mowbray-Morgan. ANDY and his owner are just getting into showing, and I'm looking forward to seeing this handsome boy in the ring in the future!"

Those who read my column in the January NL may have wondered about my promises of some of the various National Results appearing "below!" I learned that National results are to appear in the February issue and in a very specific format, so my comments were just mistakenly not edited out.

Thanks again to Wendy Corr for wonderful agility trials at our CA National!! Please find full results elsewhere in this issue.

On to other news: Linda Katlarz announced that BELLE, **AKC/UKC CH Kumara 'N Keno's Queen Of Hearts** got her UKC Championship on Dec. 13, 2014! Congratulations, Linda and BELLE!

Got the following from Dian McComb: "My LOLA, now **GCH Alcan 'n' SnoDanc Party of One**, hit a trifecta during the four December shows at the Orange County Fairgrounds. The first day, she was BOB (five specials) and earned her grand championship. The next day, her daughter, PARIS, now **CH Alcan Party Girl**, earned her championship. And the third day, her grandson SEAMUS, **Alcan L. A. Lawman**, ventured into the 4-6 puppy class and went BOB. PARIS is the seventh champion for TANGO, **GGCH. Alcan Come SnoDanc With Me**. LOLA and TANGO are both co-owned by Dorothea Ragsdale." Huge congrats to Dian, Dorothea & the fuzzy pack!!

I hope 2015 is off to a great start for all of you! It's always hard to think a month ahead when submitting these reports! Happy Valentine's Day!

So, your dog has earned the Rally Novice and Rally Advanced titles. Now it's time to gear up for Excellent!

An Excellent course contains 15-20 stations with a minimum of three and maximum of seven stationary exercises, a minimum of two advanced and three excellent level stations, plus two jumps and sit stay. Immediately following the Finish Sign, the dog and handler go to the Sit Stay Sign. The handler will sit the dog and command the dog to "sit stay". The handler will then walk forward at least 15 feet, retrieves the leash from the designated area, and returns to heel position by walking around behind the dog. The judge will order "Exercise finished", at which time the judging of the Sit Stay is over. The handler will then attach the leash and exit the ring. The Sit Stay exercise is not considered to be one of the stationary exercises on the course. Failure to maintain the sit stay will result in a 10 point IP.

size requirements. The rally ring can be 40' x 50' to 50' x 60' or any combination of the sizes in between.

Excellent exercises include: Halt Stand Sit and Halt Stand Down, Moving Stand Walk Around Dog and Moving Down Walk Around Dog. On both of these exercises the handler should not pause when standing or dropping the dog before walking around. However, as with all walk-around exercises, the handler must pause once back in heel position. There is a Moving Backup Three Steps, where the dog should

As with the other levels of rally, the handler has a 10 minute walk through without the dog prior to the start of the class. After the walk through, when it is your turn, typically the steward brings the team (you and your dog) into the ring and takes your leash.

Usually, the judge greets the team with the usual pleasantries, followed by "Are you ready? Forward." Unlike Novice and Advanced, the handler may not pat their leg or clap their hands without incurring handler error points. Something I neglected to mention previously is the ring

maintain heel position, while the handler reverses his or her direction for a minimum of three steps, and then resumes the forward direction without the dog sitting at any point. Newer exercises include Double Left About Turn, which is to be performed like the Novice Left About Turn, except the handler takes a couple steps between the two turns. In addition to the regular

*Turby stays*

jump exercise, there is a Send To Jump where the handler sends the dog out and over the jump, calling the dog back to heel position before passing the

plane of the jump. The send sign should be located three feet out to the side of the jump and six to 10 feet before it. Handler needs to maintain his or her path at least three feet to the side of the jump. As with other jump exercises, there are no retries if the dog fails to execute it properly the first time.

The Stand While Heeling exercise is similar to the AKC Utility Moving Stand. Dog should stop its forward motion while remaining in a stand. Handler

goes to the Call To Heel marker which is placed approximately six feet from the first sign. The handler then faces the dog and calls it directly to heel position without first sitting in front. The dog may do either a right or left hand finish. There is also a Down While Heeling that is performed in the exact same manner. The last two Excellent exercises are Stand, Leave Dog, Down Dog, Call Front, Finish and Stand, Leave Dog, Sit Dog, Call Front, Finish. The handler cues the dog to stand

while coming to a stop, then leaves the dog, goes to the Call To Heel marker, turns and faces the dog. The handler then cues the dog to sit or down, as the first sign had directed, then calls the dog into a sit in front and then finishes the dog either left or right. These new exercises make Excellent a lot of fun and a little more challenging.

For those who get through all three titling levels and want to continue, next month I'll write about the RAE.

## **2014 Alaskan Malamute Agility** **11/3-4/2014** **Alaskan Malamute Club Of America, Inc.**

by Wendy Corr

The 2014 Alaskan Malamute Club of America, Inc. Agility trials only run with the support of the participants. Many clubs that offer agility events need their club members to assist with set up, course building, ring support and tear down. Laura Heft and I want to thank Kim Sullivan, Karen Davison, Sally Coleman, Mary and Wayne Swinyer, Steve Anderson, Matt Sautbine, and Eva Kifri and I may have missed a few of those who provided assistance during the day.

We were fortunate enough to have a two days of Agility in San Diego this year. We had many Masters Level dogs who navigated challenging courses and showed the spectators that this breed can do agility with style and enthusiasm. We also had a large entry of Novice dogs who were beginning their Agility career. The dogs enjoyed the well groomed grass and ran with gusto and at times exhibited the Malamute scoot.

### **Rules Applying to Non-Member and/or Commercial Ads:**

- 1) Non-members and/or Associate members may not advertise the sale/availability of litters or adult dogs.
- 2) All ads subject to review by newsletter staff and may be rejected if deemed inappropriate.
- 3) Sale of property, equipment, supplies, and services (except brood bitch or stud dog) are acceptable.
- 4) Front cover is not available for non-member and/or commercial ads.
- 5) All ads must be prepaid.

### **Regarding Color Issues:**

Each issue of the newsletter is printed in two parts: 1) the covers (front, back, inside front, and inside back), and 2) the inside pages. The covers may be mixed color and black & white; however, the inside pages must always be printed either all in color OR all in B&W, no mixing. In order to print the inside pages in color, we must earn enough advertising dollars to cover the additional printing costs. This is why we require a minimum of eight (8) paid inside colored ads (not including covers) to run an issue in all-color. It isn't necessary for a single advertiser to book all eight pages; a group of advertisers may pool their resources to make up the eight pages. It's a terrific buy at \$90/page! If you have any questions, please contact Betsy Davis at [bcpublications1203@gmail.com](mailto:bcpublications1203@gmail.com) or 765-334-8277.

**Advertising Deadline is the 10th of every month.
