**U-CH, INT CH, GCH SNO SHIRES SHADOWFAX AT SNO SPIRIT, RN,
CAA, CGC, U-CA ("CRUISER")**

- Breeder: Jocelynn Jacobs, DVM
- Owner: Debbie Carter
- This is Cruiser's ultimate, most favorite competition.
- He earned his AKC Coursing Ability (CA) and Coursing Ability Advanced (CAA) and his UKC Coursing Ability (CA) titles.
- At Cruiser's very first experience at a Lure Coursing Event, he literally dragged me to the ring.
- Since then, I have to hide him from the field where the Lure Coursing is taking place.
- It really gives the dog an opportunity to run flat out over a course.
- When we go to dog shows now, Cruiser is on high alert for the sound of dogs barking and the sound of the drive engine for lure coursing.
- Great fun for dog and handler!!

- Right Lead: CH. AWANUNA'S PFALKOR PFUR ISTARI, ROM, WTD, WWPDA, ROM-WD ("PFALKOR")
 - Breeders: Beverly and Richard Pfeiffer
 - Owners: Helen and John Schultz
 - Pfalkor is behind many working dogs (including most of ours) and has progeny from Barrow, AK, to Japan and England. We are also proud to say he is the sire to Pfeiffer's "Eddy", a Top 20 contender for many consecutive seasons, as well as another working dog.
- Left Point: ISTARI'S ON MYST TAKABLE WON, WTD, WWPD ("MYST")
 - Breeders/Owners: Helen and John Schultz
 - Myst got her official name because no one wanted to buy her. Another plus as we got a good working girl with a great temperament.
- Right Point: ISTARI'S IVORY INCANUS ("INKEE")
 - Breeder: Laurie Wallace
 - Owners: Helen and John Schultz
 - Again our negligence failed to get this girl the WTD she deserved, but we did not document. NO DOG would pick a fight with this happy silly girl. Even the ones who liked to would turn away when they saw her smiling face.
- Left Wheel: ISTARI'S NEVERENDING AURYN, WTD ("AURYN")
 - Breeders: Helen and John Schultz
 - Owners: Helen and Kelcie Schultz
- Right Wheel: CH. O ARTIC WINDS N ISTARI'S EMRYS, ROM, WTD, WWPDX, ROM-WDX ("EMRYS")
 - Breeders: Susan, Marnie, and Paul Frenzel
 - Owners: Helen and John Schultz
 - This is a very young Emrys.

2011 CROWDITAROD

- Left Lead: CH. ISTARI'S TUVEE OR NOT TUVEE, WTD, WWPDX ("TUVEE")
 - Breeders/Owners: Helen and John Schultz
 - TuVee is a past winner of the Working Dog Showcase and is our energizer bunny.

 - Breeders/Owners: Helen and John Schultz
- Left Wheel: MADD MAXX AT ISTARI, WTD, WWPDX ("MAXX")
 - Breeders: Unknown
 - Owners: Helen and John Schultz
 - Maxx was a skinny rescue dog who started as a foster with us. He recovered into a semi-giant mal who pushed his weight around both on the team and in the pulling chute. We got him a PAL #, his titles, and an extra "X" on his name, because he deserved them all.
- Right Wheel: ISTARI'S TAYLES FROM THE TAMULI, WWPDX ("TAMULI")
 - Breeders/Owners: Helen and John Schultz

2011 LAFARGE RACE

- Left Lead: CH. ISTARI'S OH ILUVATAR, WTD ("ILUVATAR")
 - Breeders/Owners: Helen and John Schultz
- Right Lead: ISTARI'S NEVERENDING AURYN, WTD ("AURYN")
 - Breeders: Helen and John Schultz
 - Owners: Helen and Kelcie Schultz
 - Aurn is the only red mal we ever bred; lovely non-fighting temperament on the team.
- Left Wheel: ISTARI'S TAYLES FROM THE TAMULI, WWPDX ("TAMULI")
 - Breeders/Owners: Helen and John Schultz
- Right Wheel: CH. ISTARI'S THE PLOT THICKENS, WWPD ("THICK'T")

 - Breeders/Owners: Helen and John Schultz
 - Trilogee was #2 bitch in the TOP 20 in 2012, #1 IL/WI bitch, received an AOM, and placed 3rd in the 2011 Working Dog Showcase, as well as being a working girl.
- Right Wheel: CH. ISTARI'S TH' TA'VEREN TANIST, WWPDx ("TANIST")
 - Breeders/Owners: Helen and John Schultz
 - Tanist has excelled at weight pulling his second season, winning 14 out of 18 competitions with 10 Most Weight Pulled.
- Left Wheel: CH. ISTARI'S WINTERCHILLED SNOW SPREN, WWPDA ("SPREN")
 - Breeders/Owners: Helen and John Schultz
 - Spren earned his WWPDA in his first season of weight pulling.

ISTARI'S QUOTE TZEE KNOTE, WWPDx ("AZJA")

- Breeders: Helen and John Schultz
- Owners: Ken Kugler, then Helen and John Schultz
- Azja has had a stunning pulling career in both the 60-80 pound and 80-100 pound classes.
- She has earned the excellent title many times over and pulled over 4000# at least once for Ken.
- Circumstances have returned her to Tol Istari.

**CH. O ARTIC WINDS N ISTARIS EMRYS, ROM,
WTD, WWPDX, ROM-WDX ("EMRYS")**

- Breeders: Susan, Marnie, and Paul Frenzel
- Owners: Helen and John Schultz
- Emrys has left his stamp on his progeny with his fun loving, if somewhat of a bull in the china shop, temperament. But they can also be found to have a great work ethic and have done well in the show ring. He made us both laugh and curse with his antics over his lifetime.

CH. YAKUTAT'S EPIC TAYLE, WTD, WWPDx, ROM-WD ("EPIC")

- Breeders: Dr. Charmaine MacGregor and Grant Brewer
- Owners: Helen and John Schultz
- Epic gave us so very much in her small package. So close to national top percentage pulls, and top TSAMC under 60 pound for many years, but so much more in her breedings to Emrys and his brother. It was a pedigree that clicked. Small but quality litters.

CH. ISTARI'S HOBBIT FORMING, WTD, WWPDX ("HOBBIT")

- Breeders/Owners: Helen and John Schultz
- One of the best workers we have produced. Ran on 10-dog triathlon, freight races, mid-distance, as well as being a top puller.
- So glad that pet home buyer changed their mind.

ISTARI'S IMRIEL: ILLUSTRATED BY HOBBIT, WWPD ("IMRIEL")

- Breeders/Owners: Helen and John Schultz
- Imriel looks just like his dad and is learning to pull just like him, too.
- He is also learning agility.
- Photo credit to Jen Effler-Leveille.

ISTARI'S JEN-I'SAND RUL, WTD, WWPDx ("JRR")

- Breeders/Owners: Helen and John Schultz
- JRR has had several Most Weight Pulled wins in his career so far. He competes regularly in all-breed competitions.
- He also runs in lead and other positions on our teams.
- Photo credit to Jen Effler-Leveille.

MADD MAXX AT ISTARI, WTD, WWPDx ("MAXX")

- Breeder: Unknown
- Owners: Helen and John Schultz
- Maxx came to us as a skinny rescue foster and stayed to become part of our pack.
- He would probably pull for anyone, but he became John's dog as he liked to push his weight around.
- He was a not so gentle giant who was happy his whole life.
- Just don't know how anyone could keep a straight face with that smile coming at them.

CH. ISTARI'S TH' TA'VEREN TANIST, WWPDX ("TANIST")

- Breeders/Owners: Helen and John Schultz
- Tanist has been training in agility to keep his busy mind going in the off season. It has built a strong bond with John, and they have been pulling strong the two seasons they have had together.
- Photo credit to George Leveille.

CH. ISTARI'S TH' TA'VEREN TANIST, WWPDX ("TANIST")

- Breeders/Owners: Helen and John Schultz
- This is the Tri-State Club current record set in 2015 and one of 10 of Tanist's Most Weight Pulled.
- Won as a three year old.

ISTARI'S THORIN TUL-I-MAR, WWPDx ("THORIN")

- Breeders/Owners: Helen and John Schultz
- Thorin was the top Tri-State Club malamute 80-100# weight pull dog for six years, from 2006 through 2011.
- Returned from pet home because he got too big.
- Handled by Helen, loved by all.

ISTARI'S TIGER LILY, WWPD ("TIGER" OR "LILY" OR "TIGER LILY")

- Breeders/Owners: Helen and John Schultz
- Tiger Lily came back to us when her owners moved to Australia.
- She will run sled with a male, but not with any of our females.
- Photo credit to Jen Effler-Leveille.

CH. ISTARI'S EPIC TRILOGEE, WTD, WWPDx ("TRILOGEE")

- Breeders/Owners: Helen and John Schultz
- Trilogee showing good form here for our all around girl.
- Trilo runs lead, weight pulls, placed third in a working dog showcase, received an award of merit at a national specialty, and has ranked in the top 10 malamutes in the country.

CH. ISTARI'S TUVÉE OR NOT TUVÉE, WTD, WWPDx ("TUVÉE")

- Breeders/Owners: Helen and John Schultz
- TuVee has been the Tri-State Club's top malamute in 60-80 pound class every year since she started pulling - from 2008 to 2014 - and shows no signs of slowing down.
- She won the Working Dog Showcase in 2011.
- Photo credit to Jen Effler-Leveille.

CH. SNORIDGE'S WOLFSONGS BEAMER, WWPD, WTD, WPD ("BEAMER")

- Breeders: Eileen Kinnas and Jackai Szuhai
- Owners: Jen Effler-Leveille and Eileen Kinnas
- Beamer was a real showman at weight pull. He'd carry on quite a bit til we crossed the handler line and then he'd hit the load in a flurry of grunts and flying drool. He'd slow at the end and turn to watch the cart cross the line, followed by a victory "Roo Roo Roo!"
- At some point in his career, we switched it up and started driving him from behind. He seemed to like that better.
- At 10 years, he was entered in a pull (pictured) and he still had it: he won his class, top weight, AND top percentage pulled.
- He was an honest working dog.

BVIS STORM KLOUD'S AS GOOD AS IT GETS, WWPDX, WTD, WPD, WLD, IDWP1, ROM-WDX, ROM-PERF, ROM-AG ("BELLA")

- Breeder: Nancy Russell
- Owner: Jen Effler-Leveille
- Bella was a super driven working dog.
- She ran single lead on the team from 6 months of age, and in her first 9 weight pulls, she'd earned both her WWPD and her WWPDX. She always tried.
- She was often in the top 4 for AMCW's weight pull rankings, and at the 2003 National week, she won top percentage pulled 4 of 5 days.
- She really proved herself in the whelping box, having produced MANY very accomplished working dogs. Of 12 puppies, 9 have working titles, 5 and counting have performance titles.

U-RO1 AKC/UKC CH POWDERHOUND'S SILVER LINING, WWPDX, WTD, WPD, CGC, RE, OFF, OJP, VAM, AAAM ("BUMPER")

- Breeder/Owner: Jen Effler-Leveille
- Bumper is a once in a lifetime dog.
- He loves to sled where he mostly runs double lead, he loves to do Rally obedience, he's often a little too joyful when showing, but what he loves most is agility.
- The beauty of running a cross-trained dog is when he gets too far ahead, you can yell "GEE" and he'll turn on a dime and take the next obstacle to the right.
- He's won his classes in both rally and agility at all-breed trials. He also placed 4th in the 2014 AMCA Working Dog Showcase at the National.
- On top of all of that, he's the best public ed dog, being especially gentle with the elderly and disabled children.

POWDERHOUND'S MY COUSIN VINNY, WWPDX, WTD, WPD, WLD, CGC ("VINNIE")

- Breeder/Owner: Jen Effler-Leveille
- Vin is mostly retired now but he has been a gee-haw leader for about 8 years.
- He loves sledding and has been the puppy trainer for every one of our dogs who have lived here and some who left.
- He has twice placed in the AMCA's Working Dog Showcase held only at the National Specialty.
- He has won classes and top percentage pulled at many weight pulls throughout his career.
- He has ranked in the top 4 for AMCW's weight pull season several times in his career.

U-CH POWDERHOUND'S A FORCE OF WON, WWPDX, WPD, CGC ("BUSTER")

- Breeder: Jen Effler-Leveille
- Owners: Carol Simon and Jen Effler-Leveille
- Buster finished his working titles pretty easily and is mostly retired from working.
- He's won his class at weight pulls and earned his first WWPDX leg within a day of his one-year birthday.
- He loves running on mom's team with his half-sister Gracie.

- Breeder: Nancy Russell

- When it mattered, she was a good sleddog. We were once lost out on the trail, and she's the one who led us home.

- Rudi is a great mentor to the young dogs and can be counted on to perform with steadiness and reliability when hooked up with newbies.
- He's never met a person he didn't like, although I'm the great love of his life, and I'm afraid he's a bit of a "mamma's boy"!
- Endearing and unfailingly sweet, Rudi is a joy to have around.

- Breeder: Leneia Rogowski
- Owner: Kim Sullivan
- My oldest girl at almost 12yo. What a wonderful companion and partner she has been.
- During the prime of her life, mine was spent working more than I would have liked. She would have accomplished way more as far as titles if not for my extensive overtime at my job.

- Breeder: Kristine Kerr
- Owners: Bill and Kris Kerr
- I was only going to keep a girl from this litter, but Harry was the first to discover the joy in human laps - my husband's!
- He's grown into a mild-mannered, all-around good dog who likes doing everything but obedience.

ARCTIC KNIGHT'S BLAZINREDSTAR, RN, WWPDA ("STAR")

- Breeder/Owner: Kristine Kerr
- Star was originally sold as a pet, but his owners couldn't take him until they moved into a bigger home; that never quite happened.
- He was shy as a puppy, and I couldn't give him all the time he really needed, so he never had the confidence to be a "show dog".
- He loved sledding and went with a friend a few times as part of his team. He also competed in a few weight pulls on snow then.
- Ever since then, he thinks he has to break the sled loose when it gets hard to start! Thus the "flying Star" in this picture.
