

Excursions Documentation Check List: Sledding

- ◊ AMCA Tracking Sheet
- ◊ Map of area. Route highlighted.
- ◊ Topographic Maps or GPS printout with elevation gains/losses. Documented on printout, if elevation gain mileage claimed.
- ◊ Documentation from a impartial witness met on the trail or a GPS printout of the trip.
- ◊ Written narrative of each trip. Should include: weather, trail, and general information of how the trip experience was, including number of stops and average travel speed.
- ◊ Documentation of what was in the sled and general weight.
- ◊ Working Sled Dog Excursion Application
- ◊ Photos from the trip.

******please note all documentation needs to be in PDF format***
